

As of 25th May 2018, Mathtech Consultants Ltd is aligning with the EU's new General Data Protection Regulations (GDPR). Your personal data is of the utmost importance to us and, in line with the new GDPR, we need to make clear our privacy policy on what personal data we collect from you.

Although we wouldn't dream of selling your personal information on, it's a relief to know that to do so is now illegal in the UK. The only information Mathtech Consultants Ltd stores is your contact details. This is in order to send you information that you have requested from us.

Legally, we have to take this opportunity to also check if you would like to remain on our mailing list, in order to receive information about: associates and copies of their curriculum vitae from Mathtech Consultants Ltd. We'd like to remind you that your information is not allowed to be shared with anyone, nor has it ever been our policy to do so.

If you would like to remain on our mailing list, you don't have to do anything.

However, if you would like us to remove you from our mailing list please let us know.

Whether you are staying on our mailing list or not, we'd like to thank you for your support of Mathtech Consultants Ltd.,
